Re: To a Successful Collaborative Effort on March 5-16, 2018

Dear Chief Kreuziger and all of the
Beaver Dam Police Officers and Staff:

Just to let you know how very impressed I was again working with the Beaver Dam Police Department that showed extraordinary skill, patience, and understanding in a very difficult situation. Terrence Gebhardt, as lead investigator, applied the necessary skills to complete the job!

My congratulations to the Chief and ALL of the police officers and staff.

Sincerely,
